Σχεδιασμένη να προσφέρει ασφάλεια, η πόρτα PIVOT παράγει μία εντυπωσιακή προοπτική χάρη στην περιστροφή της γύρω από τον αξονικό μεντεσέ, συμβάλλοντας με τον καλύτερο τρόπο στον αρχιτεκτονικό σχεδιασμό της σύγχρονης κατοικίας.

Designed to provide safety, PIVOT model creates an impressive perspective due to its unique structure of the axial hinge, keeping up with the architectural design of a modern residence.

Conçu pour assurer la sécurité, le modèle PIVOT crée une perspective impressionnante due à sa structure unique de charnière axiale, contribuant à la conception architecturale de la résidence moderne.

Die Tür PIVOT, entworfen um Sicherheit zu bieten, schafft eine beeindruckende Perspektive. Dank ihrer Drehung um das axiale Türband, ergänzt sie das architektonische Design des modernen Wohnsitzes auf hervorragende Weise.
